

Library 2Go – eBook Reader Help Sessions

@ *Library After Hours*

In January, the Library staff will offer two nights of instruction in the use of our downloadable eBook and audio book service called Library2Go.

Thursday, January 12th 7-8 PM

Library staff will provide a general overview of Library2Go and its compatibility with the iPad, Nook, Kindle, Kobo Touch, Sony Reader and the Libre eBook Reader.

Thursday, January 19th 7-8 PM

The second help session will be an informal question and answer opportunity. Bring your portable eBook reading or listening device and your library card to get your individual questions answered.
